

# PICK & MIX

## HOMEWORK

### Year 6 Homework Menu: Summer 1 – Polar Regions (Part 2)

#### Every day:

- 5 - 10 minutes Spelling
- 5-10 minutes (or more) reading
- 5 minutes discussing what you've read
- 5 minutes chat about what you have learnt that day
- Times Tables Rock Stars practice

#### Pick & Mix

Choose 1 or 2 pieces per week to complete in your homework book. You must complete all this homework before the end of this half term. Completed tasks can be photographed and uploaded via Google Classroom so that your class teacher can see your amazing work.

#### Literacy

Complete SATs revision materials for Reading, Grammar and Spelling each week.

#### Art

Produce a picture or painting of a local area in the style of Ted Harrison. This may be your local park, your garden or a place that you like to visit. Remember to use bold, block colours and simple lines to create your picture.

#### Science

Complete the Science Challenge.

#### Maths

Complete the weekly maths homework.

#### Geography

Find out about the Nenet tribe, who live in the Arctic. What type of home do they live in? What do they eat? How do they keep themselves warm? Create a fact file on the Nenet Tribe.

#### Computing

Use a search engine to research which animals live in the polar regions. Create a PowerPoint about the different animals that live there and include images and some facts about their habitat.

#### PSHE

Find out what a religious leader does within the community.

#### French

Create a poster of different types of public transport in France. Draw and label pictures in French.

#### History

Find out about the first person in history that visited Antarctica. Who were they? When did they go to Antarctica? How did they get there? How long did it take them? Did they come across any problems in their journey? How long did they stay there? What did they discover?
