

# PICK & MIX HOMEWORK

## Year 5 Homework Menu: Spring Term 2, 2025 – Early Islamic Civilisations

### Every day:

- 10 minutes (or more) of reading for at least 5 days a week
- 5 minutes discussing what you have read
- 5 minute chat about what you have learnt that day
- Spelling homework

### Pick & Mix

Choose 1 item per week to complete in your homework book.

Completed tasks can be photographed and uploaded via ClassDojo, so that your class teacher can see your amazing work.

### Science

Choose an activity to complete:

We are learning about insulators and conductors. Look around your home can you identify any materials that you might use as an insulator? Take a picture or write notes to describe it. Ask an adult to post the picture on class dojo.

<https://www.sciencekids.co.nz/gamesactivities/material-properties.html> play this interactive game- take a photo and send on class dojo.

[Explorify at home: Properties of materials - Explorify](#) have a look at some experiments you can do, to do with properties of materials. Take a photo and send on class dojo

### Maths

Can you find the volume of different objects in your house. Draw the object into your homework book and show how you worked out the volume.

Make sure you practise your times tables at least 10 minutes every day to keep on top of the game!

<https://www.topmarks.co.uk/maths-games/daily10>

### Reading

Think about your favourite part of the book you are reading. Create a comic book strip to show the events that have happened throughout one part, or chapter of the story.

### Literacy

Choose somewhere that you like to go and write a setting description about it. Use 100 words to write it. Remember to use some of the strategies we have used in class.

### Art

Children to research, identify and draw some of the different forms of Islamic art. Say what object you think the art could be used on.

### PSHE

Children to create a guide on how to live a healthy lifestyle. This could be a poster, leaflet or a video guide.
