

November Maths Challenge

Choose a challenge to
solve.

Challenge # 2

Can you solve this?

$$\text{Firework} + \text{Firework} + \text{Firework} = 6$$

$$\text{Firework} + \text{Campfire} + \text{Campfire} = 12$$

$$\text{Bang} + \text{Bang} + \text{Campfire} = 11$$

$$\text{Campfire} + \text{Bang} + \text{Firework} = ?$$

Challenge # 1

How many conkers can you find?

What is **one more** and **one less** than the amount you have found?

Challenge # 3

What number is shown below using T&O?

Can you make your own number?

Creative Challenge

Can you make a firework with
more than 6 sparks and **less
than 10 sparks**?

You can draw and colour your
firework or you can be really
creative a make your firework!
